

International Congress in Russia and CIS countries

CONGRESS AND EXPO

November 26-27, 2008

World Trade Center Moscow

International Congress "BioGas-2008" in Russia and CIS countries is Russia's top renewable fuels event of the year. This event provides you with many different ways to position your company as the solution provider of choice. Invest your marketing dollars wisely; participate in event that has a track record for bringing together technical experts, senior-level managers, and government & industry leaders.

Meet your current and future customers face to face at one of the largest and most comprehensive gathering of professionals who manage, purchase and support the biogas industry in Russia, Eastern Europe and CIS countries. Position your organization as a leader in the Russian renewable industry by becoming a sponsor. Don't miss out on the #1 marketing and networking opportunity for the Russian renewable fuels industry.

All Sponsors will receive

- Your company's logo displayed on one or more large banners during the event.
- 300 words description of your company featured in the Congress Workbook.
- A brochure of your choice inserted into each Congress bag.
- Sponsor ribbon will be affixed to name badge of each company representative
- Company logo on web-sites Biogasinfo.ru (Russian and English) three months prior and one month after the event.
- Attendees' contact list
- Russian visa support

Each sponsor level will receive additional benefits as listed in their respective sections.
